

Student Worksheets

# Third Grade

My name is

# Animal Shapes

Find different animals in The Living Reef that fit into the shapes below.

---

What is the animal?

---

What is the animal?

---

What is the animal?

# Animal Shapes

Match the fish with its shadow.

## Lots of Legs!

Find the octopus in the Living Reef building.

Look carefully for the octopus; they are very good at hiding. Can you find it?

What color is it? \_\_\_\_\_

The octopus can change color quickly. Watch it for a short time. Did it change color?

How many legs are there? \_\_\_\_\_

Sometimes the octopus uses color to show its mood. Color this octopus so that it is happy.

## Detective Snooper

Can you solve who the following animals are by using the clues?
