

Fish Identification Skills Scavenger Hunt

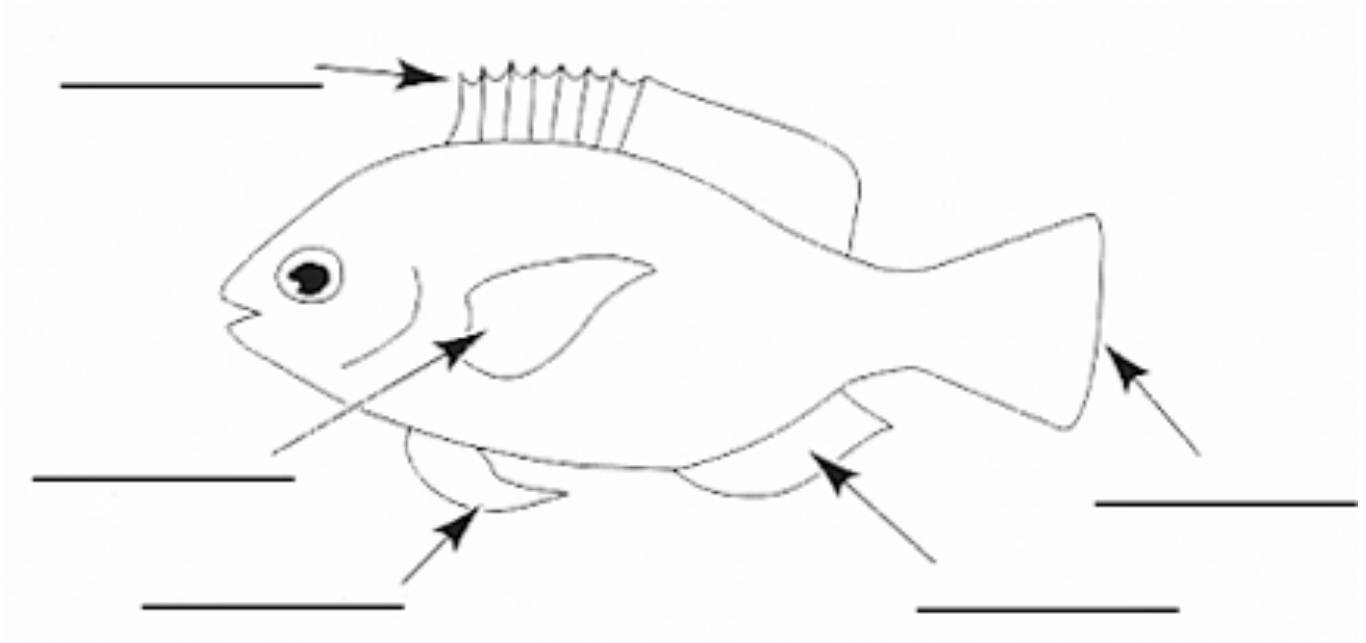

There are many ways to identify fishes! You can also learn a lot about a fish by the way it looks and by its behavior. First, fill out the Background & Review Section, then read through all the clues and find the fish with each characteristic somewhere within the Maui Ocean Center. Make a quick sketch, give a brief description, and try to find out its name! There may be several correct choices for each clue!

Part I. Background & Review

1. Fish Markings *Label the following markings on each fish*

2. Fish Anatomy *Label the fins on the fish*

3. Definitions *Define the following (draw a sketch if necessary):*
