

# Ready, set, go- on your Hawai'i Marine Adventure!

Take a journey and explore the fascinating undersea world of Hawai'i through Maui Ocean Center's Hawai'i Marine Adventure. A marine life scavenger hunt, the Hawai'i Marine Adventure will take you on an exciting journey from the shallow coral reefs to the deep blue sea of the open ocean. You'll be able to join in on this adventure without having to get wet or take a boat ride.

## Things you need on your adventure:

pencil, eraser, question sheets and an answer sheet

This scavenger hunt is designed for any age and takes place right here at Maui Ocean Center. Adventure answers can be found throughout the exhibit areas (excluding Maui Ocean Center Store, Seascape Mā'alaea Restaurant and the Reef Café).

Answers to the questions can be found on graphic boards, on your visitor guide and on interactive exhibits. The questions are in order from the Living Reef exhibit, following through to the Harbor Plaza into the Marine Mammal Discovery Center and ending at the Open Ocean exhibit and Tunnel.

## Have an adventurous time!

Don't forget to fill in your contact information on the answer sheet so that you can enter our monthly promotions to win great prizes! Look for the drop box at the Information Booth (located behind the Front Gate) before you exit.
